6.  **Cultural Competency Training: Part 1 (Relicensure)**

   *Asynchronous*
   
   *2 hours*
   
   As of July 31, the entire four-part Cultural Competency sequence is now available as a learning path (located in the catalog and then click on learning paths towards the top). We highly encourage anyone starting this series to please enroll in the learning path instead of this course. These courses are available separately for members who started the series pre-COVID. Thank you for understanding.

   This four-part series is designed to deepen educators’ understanding of their own frames of reference, the potential bias in these frames, and their impact on expectations for and relationships with students, students’ families, and the school communities. Participants will engage in self-reflection around the following topics: racial, cultural, and socioeconomic groups; American Indian and Alaskan native students; religion; systemic racism; gender identity, including transgender students; sexual orientation; language diversity; and individuals with disabilities and mental health concerns.

   Participants will not receive relicensure credit for the Cultural Competency requirement until they have completed all four courses. This training is designed to meet the language and intent of the MN statutory requirement. It is the only MEA PD training that meets all the required content. Local continuing education committees have the authority to approve or deny submissions so please check with local leaders if you have questions.

   Equity work is a journey and in Part 1 we will lay the foundation for centering equity work in your community. Participants will ground themselves with norms and vocabulary and develop an understanding of the importance of intercultural competency.

7.  **Cultural Competency Training: Part 2 (Relicensure)**

   Equity begins with an exploration of self. Participants in Part 2 will begin to understand implicit bias and the construction of privilege. One of the goals of the session is to develop strategies to recognize and dismantle implicit bias in their lives. Learners will read articles, write in their work book, and watch TED Talks to deepen their knowledge and understanding.
8. **Cultural Competency Training: Part 3 (Relicensure)**

*Asynchronous*

*2 hours*

This course is for members who have completed Cultural Competency Training: Parts 1 & 2.

Equity work must be done in relationship with others. Language is power, and identifying skills to speak up against prejudice, bias, and stereotypes takes practice. In Part 3, participants will be able to acknowledge and respond to microaggressions, understand intent versus impact, and how to restore relationships using inclusive and recovery language.

10. Culturally Responsive Teaching Through a Racial Justice Lens

This course will introduce strategies of culturally responsive teaching through a racial justice lens and how you can challenge and disrupt the systems, policies, and pedagogy that has perpetuated systemic racism. By completing this course, you will receive one hour of CEU credit. By definition of the state statute, this CEU will not satisfy the relicensure requirement of cultural competency; if you are interested in that CEU, please enroll in our four-part Cultural Competency learning path (go to the catalog and then select learning paths from the top menu).

11. Degrees, Not Debt
