

# Education Minnesota Early Enrollment Program 2022

## Who is eligible?

All potential members, regardless of whether they've been members before, are eligible this year. Education Minnesota was granted a one-time exemption to recruit previous NEA members who may have dropped their membership. This means that every potential member is eligible to participate in the Early Enrollment program this year.

For all purposes, including membership counts and governance representation, early enrollees are non-members until the membership year begins on September 1, 2022.

## Why join?

Members receive access to an array of member benefits from the organizations listed below beginning April 1, 2022, through Aug. 31, 2022, at no cost.

1. NEA Educators Employment Liability (EEL) Program – professional liability insurance
